Warrant for Annual Town Meeting

STATE OF NEW HAMPSHIRE

[L. S.] To the inhabitants of the Town of Tilton, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on the 14th day of March next, at 10 o'clock in the forenoon to act upon the following subjects:

1. To choose a Town Clerk, Town Treasurer, one Selectman for the term of three years, two or more Road Agents for the year ensuing, two Auditors for the year ensuing, and one Trustee of Trust Funds for the term of three years.

2. To see what disposition the town will vote to make of the School and Parsonage Fund interest for the year ensuing.

3. To see how much money the town will vote to appropriate for Memorial Day expenses for the year ensuing.

4. To see if the town will vote to appropriate the sum of seven hundred and fifty ($750) dollars for the maintenance of the District Nurse Association, jointly with the town of Northfield.

5. To see if the town will vote to amend the vote of March 13, 1917, and increase the annual appropriation for the Hall Memorial Library from five hundred ($500) to seven hundred and fifty dollars.

6. To see if the town will vote to accept state aid for highways and appropriate the amount required by law to secure the same.

7. To see what action the town will take in regard to building an iron pipe fence along the easterly side of Park Cemetery and raise and appropriate money for the purpose.

8. To see if the town will vote to macadamize Cedar St. and raise and appropriate money for same. By petition.

9. To see if the town will vote to establish a Municipal Court and select a person to act as Trial Justice therefor, according to Chapter 30, Laws of 1915, and raise and appropriate money for the same.

10. To see if the town will vote to employ a day policeman and raise and appropriate money for the purpose.

11. To see if the town will vote to discontinue, as a public highway, the upper, or union, bridge over the Winnepesaukee river at East Tilton, jointly with the town of Belmont.

12. To see if the town will vote to raise $200 to defray the expenses of a number of band concerts (twelve a least) to be given during the summer months of 1922. By request of band.

13. To see if the town will vote to donate $100 to the Franklin hospital. By request of the Mayor of Franklin.

14. To see how much money the town will vote to raise for all purposes for the year ensuing.

15. To see what action the town will vote to take in regard to the reports of its officers and agents for the past year.

16. To choose any other officers and agents for the year ensuing.

17. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 27th day of February, 1922.

WALTER C. WYATT,
GEO. E. CRAGIN,
MAURICE P. BRYANT,
Selectmen of Tilton.

DEED No. 30, FUND No. 34

TILTON, N. H., MARCH 25, 1921

Town of Tilton.

Gentlemen:—The following is a copy of a clause from the will of William B. Fellows:

"To said town of Tilton my burial lot in Park Cemetery, in said town in trust, to use as a burial place for the bodies of myself and immediate family; also, one hundred dollars ($100) in trust to maintain the principal sum intact and to use so much of the income thereof as may be needed for the care of the above mentioned lot and any remainder for the general care of said Cemetery."

In compliance with the provisions of this clause I am enclosing check, payable to the Town of Tilton, for $100.00.

Will you kindly return the enclosed receipt to J. H. Fellows, No. 161 Lincoln Sr., New Britain, Conn.

Very truly yours,

(Signed) JOHN H. FELLOWS, Executor.

DEED No. 31, FUNDS Nos. 35, 36, 37, 38, 39, 40.

Know all men by these presents: The the Park Cemetery by its Trustees, does hereby transfer, assign and set over to the Town of Tilton in trust, in conformity with a vote of said Cemetery at a special meeting, duly called and held December 31, 1895, the following sums:

Report of the Superintendent of Schools

To the School Boards and Citizens of Tilton and Northfield:

The State Board recently sent out a bulletin which listed the 256 school districts of the state according to current local expenditures for public education (1920-21) per thousand dollars of equalized valuation. The expenditures on this basis ranged from $21.39 to $0.40. That you may have the opportunity of making some comparisons, I have selected certain districts with which we are more or less familiar:

Woodstock	$20 53	Pittsfield	$8 76
Colebrook Sp.	16 28	Concord	8 28
Epping	14 64	Penacook	7 53
New Hampton	12 49	Northfield	6 88
Littleton	11 80	Tilton Union	6 28
Alton	11 57	Sanbornton	5 38
Farmington Sp.	10 94	Tilton Town	4 41
Belmont	10 85	Manchester	4 10
Wolfeboro	9 49		
Meredith	9 31		
Newport	9 31		

TILTON UNION DISTRICT

Our teaching force has fewer changes from year to year than that of most schools. This permanency means better teaching and indicates a healthy school condition. Miss Lyler Forbes, first grade teacher, resigned in June, and Miss Doris Saben of Concord, was chosen to fill this vacancy. Miss Saben is a graduate of the Concord Training School. This was our only change.

Much to our regret, Miss Josephine Emery, who had been giving us three days each week of her time and having the work in manual training, sewing and drawing, felt obliged to give up this year a part of her work. She now has the work in manual training only. The drawing has been continued by the regular teachers, and also the sewing to some extent. But this arrangement is not satisfactory and it should be possible to make a different one this coming year. I would call attention again to the great interest which the boys take in their manual training. They should have in this subject double the time which they are now having.

Our evening school has been continued this year. While it is small in numbers it is large in interest and devotion on the part of both pupils and teachers. Several of the men are preparing for their final citizenship papers. The teachers are Miss Louise Emery and Mrs. Georgia L. Young. The cost of the school this year will be about $200, apart from heating and lighting.

The physical examination of the children has been made by Dr. Huckins and a second examination will be made in the spring. The follow-up work which is very important and the general health program of the schools is in charge of Miss Mary Davis, the school nurse. I wish it were possible to report in detail what has been accomplished. All the children are weighed and measured once each month and the individual record of each child kept on a chart. In the case of underweight an attempt is made to find the cause. Individual instruction is given to the child by the nurse and the parents are visited and consulted. There are in our schools comparatively few seriously underweight children. We hope to make it possible in the near future for these children, and any others who may desire it, to have a glass of milk each forenoon at recess.

The enrollment of pupils from this district at Tilton Seminary is doubtless greater than in any previous year. At the present time it is seventy-three. At one time this year it was eighty-one. Two years ago it was forty-two. These seventy-three pupils are classified as follows: Ist year class 36, 2nd year class 13, 3rd year class 14; 4th year class 10. The cost of tuition this year will be about $5,700. While this seems a large sum it should be kept in mind that the cost of maintaining a creditable high school would be much greater.

The walls and ceilings of the halls and all the classrooms were re-painted last summer and the woodwork was revarnished. Lights were put in the fifth and sixth grade rooms and additional lights in the manual training room. A city superintendent from Massachuestts who recently went over this building with me told me that it had been a long time since he had been in a school building the general appearance of which pleased him as did ours. He commented on its cleanliness and wholesomeness. An appropriation for repairs should be made sufficiently large to make it possible to redecorate the assembly hall this next year. The basement also is in need of some attention. Facilities for washing should be provided for the children. The school board is asking for an appropriation of $600 for repairs.

The financial statement of the school board for the current fiscal year, from July 1, 1921, to February 10, 1922, is made somewhat in detail. Again it is necessary to ask for a deficiency appropriation. This is due entirely to the large increase in attendance at the Seminary. This is something in which we should pride ourselves.

For next year the school board ask for an increased appropriation of about $1,700. This increase is asked for to meet the larger tuition bill at the Seminary and to make it

possible to employ an additional teacher in the seventh and eighth grades that these grades may be organized in a manner more in keeping with the best modern school practice. In this connection I wish to call your attention to the table at the beginning of this report and ask you to compare our expenditures last year for public education per thousand dollars of equalized valuation with the expenditures in certain other schools districts in the state.

TILTON TOWN DISTRICT

The enrollment in the schools varies little from year to year. The total enrollment for the last school year was 97 and the average enrollment was 80. The attendance during the year was good. The superintendent made a total of 80 visits to the four schools, an average of 20 visits to each school. Our present enrollment is 80. In addition there are six pupils from this district attending the Union school and sixteen attending the Seminary. These are classified as follows: Six in the first year class, four in the second year class, three in the third year class, and three in the fourth year class. It is probable that there will be a larger number from this district at the Seminary next year. The problem of securing teachers for our schools remains a difficult one. Miss Houston resigned at the Highlands school at the close of the school year and Miss Fitts was transferred to this school from Sanborn Road. Mrs. Carrie W. Abbott was secured for this vacancy. Mrs. Abbott is a normal graduate who has had several years' successful experience. Mrs. Abbott brought to this school a personal interest, maturity of judgment, and excellent training which have made this school one worthy of special commendation. We were again fortunate in retaining Miss Pike at Lochmere.

The Number Four school has been much broken up this year, much to the regret of us all. Miss Louise Emery declined a re-election. Miss Edith Stevens began work in September, but was soon obliged to give up the school because of poor health. After repeated failures to fill the position, Mrs. Marion Harvey was finally secured as a permanent teacher. Mrs. Harvey is a graduate of Bridgewater (Mass.) Normal School, and has taught seven years. This school should run smoothly and successfully the remainder of the year.

For the first time in several years we have no supervisor of music. Previously we have been able to secure the teacher of music in Franklin for a day once in two weeks, but it was impossible to make this arrangement this year.

The improvements on the Number Four building for which a special appropriation was made were completed last summer. The windows at the pupils' right were done away with. Larger windows giving a much increased lighting surface were put in at the rear and on left in conformity with the state regulations. As a result we have a very cheerful schoolroom, well and properly lighted. This building was painted inside and out. The appropriation for this work was $600. The total cost was under $500.

The School Board in their report of the requirements for the next fiscal year, ask for an appropriation of $500 for repairs. This amount is needed for repainting the Lochmere building and for a considerable outlay at Sanborn Road that this building may be put in first class condition.

There are sufficient funds on hand to carry the schools through this current fiscal year which ends June 30, so that it is not necessary to ask for a deficiency appropriation. The school board estimate that the total expense for maintaining the schools next year will be approximately $7,458.

There will be available from the town tax for schools (required by law) and from dog licenses about $3,475. The additional amount needed to meet the necessary expenses is $3,983. This is the amount of the appropriation which will be asked for at the school meeting. This is an increase of about $1,000 over the appropriation made a year ago. This is due to the larger estimates of the requirements for teachers' salaries and repairs. If we are to secure and retain teachers of the type we desire we must be prepared to pay salaries equal to those offered elsewhere.

When we note the increased cost for maintaining our schools we are interested in comparing our expenditures with those of other districts. As previously stated this district expended last year for public education $4.41 per thousand dollars of equalized valuation. There were but seventeen school districts in the state where the rate of expenditure was less.

NORTHFELD DISTRICT

Five schools were maintained in this district during the last school year with a total enrollment of 76 and an average enrollment of 61. The attendance in general showed an improvement over the previous year. The superintendent made 90 visits to these schools during the year, an average of 18 per school. The Oak Hill school was in session 35 weeks, the other schools 36 weeks.

The Bean Hill school has not been open this present school year. There were but five children in this community to be provided for. Three of these were eighth grade pupils whose parents were interested in the children having the advantages of the eighth grade in the Union school. By reason of the hearty co-operation of the parents in the matter of transportation the school board was able to provide

for the attendance of these children at this school. This arrangement has proved very satisfactory. It would certainly be an advantage to the children if all the upper grade pupils of the district might have this same opportunity. The two other children from this neighborhood are being transported to the Center school. The closing of this school has given better school facilities to the children at much less cost to the district.

For the first time in several years the Hodgdon school was opened in September. The children in this neighborhood had previously attended school in Franklin. The opening of this school did away with the transportation of two of the children, which was a large expense, and met the wishes of the parents. Mrs. Mabel Leighton who taught this same school some few years ago was secured as teacher.

The teacher problem which gave us no little trouble last year at Oak Hill seems to have been solved. Mr. Philander Mann of East Concord began work at the opening of the school year and has won the confidence of the community. There has been a marked improvement in this school. The district has been at an additional expense as no available boarding place for the teacher was found in this community within a reasonable walking distance of the school and the school board has been obliged to provide for his conveyance.

Miss Eunice Hunt of Gilford, a teacher of several years' experience, succeeded Mrs. Foss at the Tibbetts school, and Miss Phillips and Mrs. Fifield are back at their former positions at the Rand and the Centre.

Miss Isabel Emerson did good work in our schools last year with the music and we were every sorry that she did not return to Franklin this year and be with us again. It was impossible to secure a special teacher for this work.

The cost of transportation which has been considerable in the last few years has been much reduced through the opening of the Hodgdon school and the rescinding by the State board of a former order for transportation at Oak Hill. At present the only transportation is from Bean Hill to the Center school and on certain days of the eighth grade children from Bean Hill to the Union school.

Much needed improvements were made at the Rand school during the summer at an expense that came within the appropriation of $500. Additional windows were put in which greatly improves the lighting, the shed moved, raised and connected with the main building so that there is direct access to the shed from the schoolroom. The toilets were rebuilt. The building was painted, inside and out and the chimney rebuilt. Mr. Clarence Whitcher had general charge of this work. At the Tibbetts school chemical toilets have beeen installed.

Last year this district received from the state as its part of the equalization fund the sum of $1,063.13 which could be used for certain specific purposes. At the close of the fiscal year there remained in the treasury an unexpended balance from this sum of $358.26 which was a credit to the State Board. The last Legislature revised the school law so that districts were required to tax themselves more heavily before becoming eligible to share in the distribution of the equalization fund. The result was that our allotment this year was but $47.44. This allotment was paid by deducting this amount from the credit the State Board had in our treasury of $358.26 so that this district now owes the state $310.82.

Your attention is called to the preliminary report of the school board for this current fiscal year and to the statement of the requirements for the next fiscal year. Failure

on the part of the Selectmen to assess the sum of $822.52 which was appropriated at the last school meeting makes it necessary for the school board to ask for a deficiency appropriation this year. There should be an additional deficiency appropriation of $200 to meet the necessary expenses during the remainder of this fiscal year.

Respectfully submitted,

CHANNING T. SANBORN.

Tilton, N. H.,
